

TOP SECRET

DAILY STAFF MEETING

Tuesday, 25 September 1951

25X1 Colonel [] noted that Mr. Wisner would in the near future
be required to make three separate talks to the following groups:
CIA Orientation Course; the [] and the []
25X1 [] and requested where he might secure material
25X1 to be included in these talks. It was suggested that he see Mr.
Carey []

25X1 Mr. [] stated that he had discussed with Mr. Babbitt the
dissemination of NIE's and SE's to the Federal Civil Defense
Administration, and that in his opinion there were certain of these
studies which are essential to their operations. Mr. Reber noted
that he and Dr. Andrews had under examination the problem of dis-
tribution of intelligence productions and hoped to have recommen-
dations for DCI on this subject in the near future.

25X1 Mr. [] noted that a draft letter to the Senior Repre-
sentatives, giving them items of interest from the various offices
of CIA, was being prepared for the approval of the DCI. If
approved, it is contemplated such letters will be sent out -
probably on a monthly basis.
